

Hook's 15 Year Cheddar –

Hook's Cheese has an early batch of 15 Year Cheddar available this year.

We typically have a new batch ready to release at the end of October every year.

However, this year we had a batch that was ready in January. We will still have our usual batch ready again in October.

Send us an email (hookscheese@gmail.com) if you would like to order some of this batch of 15 Year Cheddar.
