20 Year Cheddar Release

We will be attending a Walk up DCFM Market every Saturday on Willow Island at the Alliant Energy Center through November 7th. This Walk up portion of the market will run from 9:30 am until at least noon. There will be between 45 and 60 DCFM vendors there. We will have our full range of cheeses along for you to purchase.

For anyone wanting to pick up cheese please call or email and we can get your order ready ahead of time and have it ready to pick up.

We still have a few 8 ounce pieces of 20 Year Cheddar and a few 1 pound pieces available because of the current situation. Contact us as soon as possible if you would like some of this.

Thank you.

Tony, Julie, Brian, Julie, and Melanie Hook, and Jim Stapelmann
